

Play Team Golf at The Crest!

Join the fun and sign up to compete on teams of 4 or 8 players!

Teams will compete on our exciting, new short course ranging from 30- to 150-yard holes! Each week our **Crest Academy** staff will create a course using the greens and a special set of orange tee markers. The course will be short, but there will be plenty of obstacles and challenges, which allow players to develop their shot making skills and strategic thinking on the golf course. In most cases, golf is an individual sport. But in this environment, you will have the support of your team encouraging you. This is a low scoring, birdie shootout competed over 3, 6, or 9 holes. Each week the course will be set up different to challenge and inspire young golfers. Players will be divided into teams and compete against other teams. We will start with a scramble format and work our way toward best ball as the teams get better. Toward the end, we might play match play! **The goal of this program is to create a fun, challenging environment for junior golfers of all ages to be able to compete and learn the game of golf.** Before each match there will be a 15-minute group lesson on one aspect of the game. Then we will all head out onto the course.
