

The Crest Junior Tour Series

Tournaments for kids 5-16

The Crest Junior Tour Series was created to give local kids the opportunity to compete on a regular basis in a tournament atmosphere. Best of all, each event is hosted at Green Crest, which makes it convenient for local players. This Tour is designed for golfers to learn the tools needed to compete in high school, state, and national levels. Players will experience first tee nerves, responsibility of keeping another competitors score, course management, honesty, and how to deal with pressure. Tournaments will be run by gender and age division. All money collected will be used to manage the tournaments, provide trophies, water, and food for the participants. You can sign up by calling **513-777-2090** (clubhouse) or going to <https://www.greencrestgolf.com/shop> and paying in the online store. If you register for an event and cannot play, the entry fee can be transferred to another event or given back in the form of a gift certificate.
