Call 513-777-2090 Starts Summer 2019

This league is designed for parents to bring their young golfer out to the course and walk with them as they play. Parents will not be playing but helping in the learning process. Each time, junior golfers will play 4 holes from our special junior tees (juniors must wear gym shoes). Parents will be there to help them manage their equipment, reinforce safety, model etiquette, display good sportsmanship, and show encouragement. This league helps juniors to become independent golfers. Before each session, kids will receive a 15-minute group lesson from a Crest Academy Instructor on either etiquette, rules, or simple technique. After golf each week kids will receive a free ice cream coupon to Twist.
