

# Junior Team Golf 2019

## Play ★ Compete ★ Grow ★ Learn

This league is designed specifically for junior golfers trying to play school golf. If you are currently on a golf team or aspire to play on a golf team, this league will greatly increase your opportunity to compete at a high level. We have reached out to several local coaches, and lots of players are coming here to test their game. You will need a partner, or we can try to pair you with another individual player. We will keep score just like in a school match, play by USGA rules, and post weekly standings! This league will include two ½-hour seminars hosted by Crest Academy instructors, who have played college golf or high school golf for local elite programs. The focus will be to try and emphasize what a player must do to compete and play at these levels. This league assumes the player should be able to score below 60 from the forward tees for 9 holes at Green Crest.

### Important League Information

**Day:** Thursday

**Time:** Tee off at 9 a.m. Pick up at 2:00 p.m.
