We provide a relaxed, fun atmosphere for kids to practice with their peers. There is no commitment, just an opportunity to play and learn this great game.

We're Committed to Helping Junior Players Develop

Through instruction, opportunities to play, aggressive junior pricing, no tee time blackouts, junior leagues, and club pricing at cost, Green Crest strives to serve all your junior golfer's needs.

EVERY junior golfer under the age of 16 that plays on Junior Tuesday (without a parent) will need to take a **minimum of 1 session** of our **Get Golf Approved** program. The cost of this class is \$40 and will last one hour. Each session will consist of an instructor and 4-6 students.

Passing this class will allow your junior player the opportunity to make tee times and play on Junior Tuesday. To play on Junior Tuesday, **a junior must take this class or meet one of the following criteria to be exempt from taking the class:**

- Currently playing or have played on a school golf team
- Play on a junior tournament circuit
- If you are a regular student of The Crest Academy
- If you passed “Get Golf Approved” class previously

*You can sign your junior golfer up for any of our sessions by calling the pro shop at **513-777-2090**, stopping out in person to register them in the pro shop, or using our new secure online store to register online:*

The purpose of this class will be to properly teach junior golfers the 5 key components to being self-reliant on the golf course:

1. Knowing the rules and etiquette that govern all play on the golf course.
2. Educate our junior players to be able to take proper care of the course while playing.
3. Teach them how to keep the proper pace of play on the golf course.
4. Educate them on how important safety is on the course.
5. Provide an excellent mentoring experience for golfers to learn from successful experienced players.

This class will be taught by Crest Academy instructors who have extensive experience in golf or have played competitive golf.
